

## OFFICIAL TREATMENT PROTOCOL: WHAT IS IT FOR?

Larymar Professional Treatment is a line of latest generation products designed specially for top-end beauty salons.

Anyone working in the professional beauty sector will find that Larymar is a precious ally in every situation, even the most demanding one.

The ideal application of the product depends each time on the type of skin: skin can range from sensitive and stressed to normal, dry or dull, from oily skin with sebum to mature skin with marks. Every case is dealt with respecting the characteristics and sensitivity of each person.

The combined action of Larymar products ensures extremely effective peeling treatments, for both young and more mature skin types. The correct application method is shown in the Official Treatment Protocol provided with the products of the line.

Thanks to this clear and intuitive protocol for the Larymar Professional Treatment, the doses and directions for use are always available making it easy also for less experienced professionals.

Customer service is always available to offer personal and timely advice in case of doubts. For further information or a free no obligation quote, please contact us by email or phone.

The future of cosmetics is called Larymar Professional Treatment.
